Dear Public Recreational Bathing Facility Certified Pool Operator,

The public recreational bathing facilities require the following pre-operational paperwork prior to being inspected by the Local Health Department.

- Appendix E – Completed by Trained Pool Operator certified by an approved service.
- List of hired lifeguard certified in CPR & First Aid by approved service.
- CPR & First Aid Certificate copies to be submitted to Health Department.
- CB-20.
- Grounding and Bonding Certification
 - Annual approval from Borough Official.
 - Five-year approval by private service.
- Standard Operating Procedure including:
 - A diagram of the facility;
 - Swimming pool evacuation plans;
 - A schedule for and the number of lifeguards to be on duty depending on conditions and activities;
 - Responsibilities of all employees;
 - A list of emergency telephone numbers;
 - The location of first aid and rescue equipment;
 - Staff emergency procedures;
 - The location of the emergency shutoff switches for suction outlets;
 - Hours of operation;
 - A schedule of operational activities, such as water testing and recordkeeping; and
 - A zone of protection plan for the lifeguards.
-

The Laws associated with these requirements are listed in the attached PDF "NJAC 8-26 Pre-Operational Rec Bathing Req".

Also attached are the CB-20 and Appendix E forms.

Lastly, the "Approved Training Services" PDF contains the lists of approved certification services for lifeguards and TPOs.
